Week commencing 11th March 2019

Year 1 Library Visits

1AS and 1EB will be visiting Ladybrook library on Tuesday 12th March in the morning.

1EB will be leaving around 9.15am and 1AS will be leaving at 10am.

As usual we are looking for adults to come with us as we need at least 5 adults per class in order to meet the requirements of the risk assessment. If you are able to help

please let the class teacher know as it is very much appreciated and enables your children

to develop a love for reading.

Year 1 How is it made.

A big thank you to the parents/carers who have already sent odd socks in for our work on puppets, it is very much appreciated. It was great that so many children remembered to bring in their own puppets from home as this enabled the children to see the different types of puppets and have a chance to explore how they work.

Thank you to the parents and grandparents who spent time last week and made puppets at home for

their children to bring in—it was lovely to see the results. The staff and other children were suitably impressed and it has given them lots of ideas for their own puppets. We hope you enjoyed making these with your child.

Mr Dugdale's Sports Fact of the Week

Taking part in sport helps with stress relief. Exercise is a great mood-booster and has proven to be an effective method of stress relief

Art Day

The children of Sutton Road Primary will be taking part in Art day on the 22nd March. If you wish to send your child with an "art shirt" (any old t-shirt which can protect your child's school clothing) then feel free to do so. We are also asking, as part of our art day project, that children bring in any old plastic carrier bags or plastic packaging and/or plastic bottle tops. Children can bring these in on the day or just before. Thank you all in advance, Miss Bunting and Mr Kemp.

Viking Oat Cakes

6EB designed a Viking Oat Cake recipe. We looked at seasonal ingredients and how the Vikings would produce a similar meal. We worked in groups to make the oat cakes. We then selected our fruit toppings and chopped these and put them on our oat cakes with either honey and jam. It would have been the perfect meal before a battle as it included all food groups and had the fruit, honey and jam which would have provided the perfect energy boost. We loved them!

Red Nose Day

This year our Fundraising Forum are raising money for Red Nose Day 2019.

We are going to hold a 'Dress up day' on Friday 15th March. For £1 donation children can come to school in fancy dress or they can wear something red. We also have a joke competition, this will be 50p each for a chance to win a Red Nose Day themed prize. The prize has been kindly donated by the PTA. The deadline for entries will be Thursday 14th March.

The money we raise will help people living really tough lives in the UK and across Africa. For example, £2.50 could buy a mosquito net to protect a family in Africa. In the UK, £5 could pay for an isolated elderly person with dementia to have dinner at their local support group. On their behalf, thank you. We will also be using Red Nose Day as a learning opportunity to help our pupils explore the issues facing young children across the world, and how the money we raise can help.

We really appreciate your support and hope that you will have fun helping raise lots of money for Comic Relief.
