Stand Up Notts

On Friday 25th September, Sutton Road celebrated Stand Up Notts. Year 4 children were incredibly lucky to have Next Level Sports come in and deliver an archery session. The children were very enthusiastic and it warmed the hearts of their teachers to hear the squeals of delight when they hit the highest scoring point, 10. There were many celebrations with several children jumping up and down with glee.

Coach in school

In the afternoon, on the 25th September, 4EP enjoyed a visit from Mrs Biggs. She did a fun daily run with the children, but each time they got to a corner in the circuit, they had to do an exercise such as squats or star jumps. The children were very red faced and sweaty afterwards but we are sure that their parents might have enjoyed a quieter night afterwards!

Crazy Hair Day

Last week 5LB had a Crazy Hair Day for achieving 200 Dojos.

Here are just a few of the styles.

Henry Moore Sculptures

This half term year 5 are studying the sculptures of Henry Moore. They have really enjoyed guessing the animals from his weird and wonderful models.

They have created abstract creatures out of woodland items .

The next step is create sculptures out of clay based on their sketches and designs.

NHS App

You will be aware that the NHS have launched a new App you can download on mobile phones which is intended to support their Test and Trace procedures.

PLEASE NOTE - this App is not intended for children under the age of 16 years and it will therefore not be applicable for any of our pupils to have in school.

An information pack for parents, further information about the app, and frequently asked questions are available on the NHS COVID-19 app website. A factsheet for parents and carers will be published by NHS Test and Trace shortly.

Thank you for your support.

Dojo Award

To celebrate how many points 5HM have reached trialing Class DoJo we are going to have a film afternoon. This will take place on Monday 5th October 2020. School are going to supply the film and snacks, so the children do not need to bring anything in with them.

The children need to come in pyjamas for the day too please.

Hello Yellow Day

We are inviting pupils to join us in raising awareness for YoungMinds by taking part in the #HelloYellow campaign. **On Friday 9th October**, we are inviting children to wear something yellow . Dig out your neon socks, custard scarf and banana hat - let's show young people they're not alone with their mental health!

Annual Flu Immunisation

You will have now received an important letter about the Flu immunisation which will be taking place on **Tuesday 10th November**. Please fill in one online consent form for each child here <https://www.nottinghamshireimmunisations.co.uk/Forms/Flu>. The code for Sutton Road Primary School is NG133277. **Even if you do not want your child to be vaccinated please complete the form to let us know.**

Monday 22nd February 2021	-	First Day back at school

Online Homework

Further to our letter last week on the use of Microsoft Teams, your child(ren) will now have received details of their logins. We are now able to start to launch homework via Microsoft Teams. **This week's Teams homework will be set by 01/10/20 at the latest and will be accessible until 06/10/2020.**

This week's homework on Teams is a **Maths** challenge. Your child's Maths challenge could have a chilli challenge:

Here are the instructions for how to download Teams for free on Android/Apple phones and also to download Teams from a Windows computer:

Android device: https://youtu.be/_Pd1-oNFie8

Apple device: <https://youtu.be/i0dnNVOY-Bk>

Windows Laptop or Desktop Computer:
<https://youtu.be/dYVMlJHd3v8>

If you are taking a photo of the work that your child(ren) has done, we would recommend using a mobile phone with the Teams app installed on it. To do this, take a picture of the work you want to hand in, then go into Teams on the phone and choose the assignment that you want to hand in work for, click the '+ Add work' option underneath the 'My Work' title in this assignment and then 'Upload from this device' to access the image. Remember to click on 'Hand in' your work to receive feedback.

If you have any questions about accessing Teams homework, please contact your child's class teacher through their class email and we'll get back to you with further details.

Chilli Challenges:

Some of your child's work will be differentiated by Chilli Challenge. The children are familiar with this as it is used across school as a way to set activities pitched to each child's level. For a lesson set in this way, your child can choose which Chilli they would like to complete. They can either complete all of that chosen Chilli or do part of one Chilli and move onto a different Chilli to challenge themselves.

Tongue Tangler (TT)

A Tongue Tangler activity tends to be very similar to that which you have already completed as part of the lesson and so you will be able to use exactly the same skills you have already practiced.

Nose Runner (NR)

A Nose Runner activity will be quite similar to what you have already practiced but may have some trickier questions or require you to think about how to use your skills differently.

Eye Waterer (EW)

For an Eye Waterer activity, you will need to use and apply the skills we have just learnt and practiced together to different concepts, taking learning to the next level.
