## Hello Yellow Day in F2

For Hello Yellow day, we went onto the field and made different faces to show the different emotions. I have checked permissions.

## Hello Yellow

At Sutton Road, the wellbeing of our families and children is important to us.

This week, we have had a great time in school. All children have completed a range of assemblies and lessons, with a focus on

wellbeing and how we can look after ourselves and others. As part of this, the children has looked at the book, 'Ishi- Simple Tip's from a Solid Friend.' As part of this, each child has created their own Ishi, which will be coming home after half term. We can't wait to share the work we have done with you and keep your eyes peeled for an Ishi Challenge which will be coming home soon!

## Going Abroad

As you will be aware school finishes on Friday 16th October for the half term break and we return back to school on Monday 2nd November.

We are aware that some of you may be planning to go on vacation during the break, therefore we must remind all parents that if you are going on holiday outside the UK, you must ensure you are following the current Government Guidance. If you are going to a country not on the exempt list you may have to self-isolate for 14 days on your return to the UK.

<https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors>

During this time your child(ren) will not be able to come into school and therefore will be expected to complete their school work at home. If you are travelling to a country NOT on the exempt list please notify school as soon as possible.

Thank you for your ongoing support,
