Swimming

5LB will resume swimming lessons on Wednesday 13th January 2021. There is no swimming this week due to staff training at the swimming centre.

Reading Jar Challenge Award!

5LB have earned their first reward on their reading jar challenge. The children voted for a 'dress up as your favourite character' day. We have had The Queen of Hearts, Ninjas, Spider Man, Wednesday Adams, James Bond, Storm Troopers and many more!

BasketBall

Year 3 have been really lucky this half term to have a Basket Ball coach in school. They have been taught about the rules of the game, skills and tips as well as how to shoot the ball accurately

They've learnt lots of basketball terminology and each and every one of them have had a fabulous time.

NED

As you know we recently hosted an all school live stream event called NED's Mindset Mission. We hope your child was encouraged by the show which taught about having a positive Mindset for learning and life!

Here are a couple of links to our favourite follow up home resources from the Mindset Mission website. You may want to use these with your child as they are designed to go hand in hand with the programme.

<http://www.mindsetmission.com/assets/facemasks.pdf>

<http://www.mindsetmission.com/parents.html>

Check out our website for tricks and instructions on how to adjust the string on yo-yo's ☺

Don't forget to ask your child what they learned in the show about having a growth mindset from YET the Yeti, Captain Kindly and during NED's visit on the spaceship!

The Prevention & Treatment of Head Lice

Unfortunately, we have our little visitors back in school again!

These are a common every day issue, but are easily treatable. Early detection and treatment are vital in dealing with head lice and parents / carers are advised to check their children's hair once a week.

Head lice are small insects, about the size of a match head when fully grown. Their colour varies according to the colour of the hair of they host. They crawl from head to head - they do not fly or jump. Anyone with hair can catch head lice. They are difficult to find in dry hair, but in wet hair, they lose their grip, move slowly and can be combed out.

Two treatments are recommended - wet combing and lotions. It is possible to use wet combing and lotions separately, but it is best to use both treatments together.

If you do not normally pay for your prescriptions, you can receive any necessary medication free of charge from the pharmacy under the Pharmacy First scheme.

Please let us know if you would like any support from school as we are more than happy to help.

Thank you all for your ongoing support with this - together we can 'Hit the Nit!'
