Christmas Special 2020

2020 has been the most difficult and challenge year, many of us can remember. School closures, shops and restaurants closed and families and friends not being able to see each other. As December comes to a close, we look forward to 2021 and hope that it is a year of hopes and dreams allowing us to get back to the things we love - spending time with families, going out together, going on holidays and much, much more.

As school finishes on Friday, we would hope everyone gets some well-deserved rest and the time to enjoy spending being with family (even if that is virtually this year).

So, everyone at Sutton Road Primary School wishes you all a very Merry Christmas and Happy New year and we look forward to seeing you all in January 2021.

To feel good this Christmas...

Share how you are feeling, whatever you are feeling, with someone you trust.

Take some time to relax, reflect and be calm.

Spend some time outdoors.

Spend some quality time with family and friends.

Give the gifts of love, care, kindness and time to the special people in your life.

Eat a balanced diet and get enough sleep.

Focus on the things you are grateful for.

Remember you are special!

Choose to do some activities which make you feel happy.

Panto!!

As we couldn't go to our annual visit to the

Panto this year, we bought that Panto to us. This week all classes have been watching Aladdin online and were all treated to few treats including popcorn, chocolate and a drink. All the children

had a fantastic time and totally got into the Christmas spirit.

Year 1 Bog Baby

In English, Year 1 were very excited to discover a Bog Baby in their classrooms last week where the children wrote beautiful descriptions using some fantastic adjectives. This week the children were invited to create their own Bog Baby and write a description about it. We are very proud of the work that has been produced and the children have written some great descriptions.

Year 6 have been busy making Christmas cards and calendars this week. In 6JS, we used inspirational quotes for our calendars to help us stay positive in the new year.

Now let us listen to the Christmas band.

Merry Christmas said the carol Singers.
And start cooking Christmas dinners.
