WORLD BOOK DAY

World Book Day

This year at Sutton Road, we celebrated World Book Day through the joy and value of books, especially for children.

Nurseries, schools and libraries across the UK have been celebrating the day with a huge range of events and activities. Here at Sutton Road, we also took part in lots of exciting things!

Sutton Road children created a potato book character, listened to favourite bedtime stories and created our own bedtime story.

Mr Dugdale's Sports Fact of the Week

Taking part in sport helps **manage weight**. Not only does physical activity burn calories, it also improves your metabolism in the long run.

Ofsted Visit

As you may be aware, we have had Ofsted in this week - and your children were an absolute credit to you all (despite the rain, wind and in-door playtimes). We will make the report available, as soon as it is published.

We also wanted to take this opportunity to thank all our parents (and grandparents) for your over-whelming support when completing the questionnaire we sent out for Ofsted - your comments were lovely and very much appreciated by all the staff.

The Prevention & Treatment of Head Lice

Unfortunately, we have our little visitors back in school again!

These are a common every day issue but are easily treatable. Early detection and treatment are vital in dealing with head lice and parents / carers are advised to check their children's hair once a week.

Head lice are small insects, about the size of a match head when fully grown. Their colour varies according to the colour of the hair of they host. They crawl from head to head - they do not fly or jump. They are difficult to find in dry hair, but in wet hair, they lose their grip, move slowly and can be combed out. Two treatments are recommended - wet combing and lotions. It is possible to use wet combing and lotions separately, but it is best to use both treatments together.

Changes to school holidays

Please be aware that Nottinghamshire County Council have changed the term times in school.

With effect from 2019, we shall have 5 weeks during the summer and 2 weeks at October half term.

Dates are detailed in our diary.

Easter Craft Sessions

We are excited to share that we have secured an Easter Craft session (parent-child), which is being delivered by Kate Stubbings from Personal Learning, on Monday 25th March for KS1 and Tuesday 26th March for KS2. These sessions are free of charge, with the only condition that a parent/grandparent attends the session with their child/grandchild.

The sessions will run from 1.00-3.00pm on both days and places will be allocated on a first-come first-served basis.

If you wish to attend our Easter Craft Activity with your child, please complete the appropriate form and return it to the school office to secure your place.

**Running Club**

We have lots of children, staff and parents who brave the cold, dark conditions every Wednesday from 7:30am to attend running club. This week seventeen children, a parent and three staff took part in laps round the school, stretching, relays as well as games of bulldog, pac-man and stuck in the mud. Despite the weather, everyone had a great time. We would love to welcome more children and parents along from 7:30am to 8:30am every Wednesday. Children (with parental permission) need to report to the school office.

**Contact Details**

If parents/carers have changed their telephone number, can you please let the school office know. Not only is it important in terms of contacting you in an emergency but in future we will be using texting more frequently to update you on activities and afterschool clubs.

ART
DAY

Whole School Art Day - Friday 22nd March 2019

If you wish to send your child with an "art shirt" (any old t-shirt which can protect your child's school clothing) then feel free to do so.

We are also asking, as part of our art day project, that children bring in any old plastic carrier bags or plastic packaging and/or plastic bottle tops. Children can bring these in on the day or just before.
