

Important messages for this week:

Can you help?

One of our children has lost their coat. It has his name in it – Reahaan. Please could everyone check just to make sure it hasn't been picked up by mistake. Thank you.

A huge thank you to everyone who purchased raffle tickets for Cash for Kids. Here is the lucky raffle ticket winner Tommy!

EYFS

This week in F2 we have been talking about the different holidays you can go on: skiing, city breaks, seaside and camping. We wrote postcards pretending we were on holiday and we even got to board an aeroplane!

KS1 (Years 1 and 2)

The children in Year 2 LOVED making their own soup. We peeled and chopped vegetables and added them to a soup maker. Then, we got to taste our delicious soup! It was yummy!!

KS2 (Years 3 and 4)

4EP have been thinking about how we are the 'boss of our own bodies' this week. We have completed some role play scenarios around this. We understand that it is ok to say no to people and that we should respect each other's decisions. We know that we can tell people not to get too close or touch us e.g. hugging, tickling etc. if we don't like it. We explored what to do if people do get too close and discussed how we can explain that it makes us feel uncomfortable when people go into our personal spaces. We looked at stepping away and telling people to stop by holding our hands out. We emphasised the importance of listening to others when they are telling you how they feel so that we can respect their wishes.

KS2 (Years 5 and 6)

This week, Year 6 used elastic bands to help our hands form beaks like birds. Carefully, we tried to use our 'beaks' to gather our food. As you can see, we were not able to collect just the bird seed – our food contained numerous pieces of plastic, including microplastics.

Look out for:

In year 3, some of our children this week made Dragons as part of our English topic 'The boy who grew dragons'. Here are some photos of their fabulous work.

Attendance:

Whole School attendance:

94.14% Come on Sutton Road, we can do better than that!

Winning Classes:

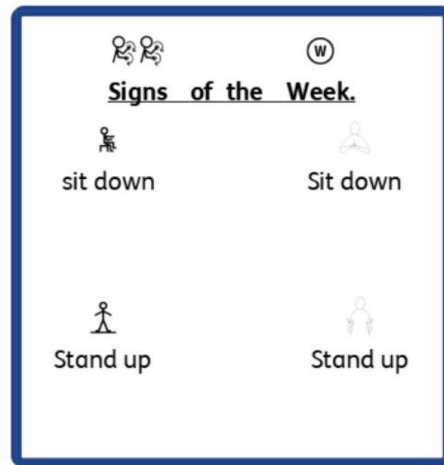

Highest Class Attendance is 2SB with 99.29%- Well done!

Time 2 Chat:

Share a familiar book with your child. Encourage your child to recall what has happened in the story. For example, 'Why is bear feeling sad?' Ask them to guess what might happen – 'What should they do next?' – or how the story might end – 'Do you think they're going to find the treasure? Where could it be?' Who are the characters? Are they good or bad? What would your story ending be?
