

A few reminders:

Please be aware that the Covid 19 guidance for schools remains that same and we still have strict rules we must follow to ensure all our children are kept safe.

If your child is showing any of the Covid symptoms: a new continuous cough or a high temperature or a loss of, or change in, your normal sense of taste or smell (anosmia) your child and any siblings must not come to school until they have had a PCR test.

Our school is looking for a new School Crossing Patrol

EYFS

This week Nursery have been learning about the seaside and all the exciting things you can do there. We loved having some chips with ketchup and watching a Punch and Judy show!

KS1 (Years 1 and 2)

Y1's homework is to make a greenhouse so that they are able to grow some flowers to plant in the school grounds. The children and their parents have been working hard and we are very impressed with their joining skills and ability to make a strong and stable structure. Here are some of the greenhouses that have already been made and we look forward to seeing some more.

KS2 (Years 3 and 4)

This week in Art, we have been working with Mr Kemp creating Stone Age tools. We used newspaper and paper mache to make an axe. To begin with we rolled up newspaper into a tight tube to form the handle. We then created the axe by folding newspaper and placing this through the hole in the handle. The fun part came covering the axe in paper mache.

KS2 (Years 5 and 6)

We have been reading Tom Gates The Epic Adventure in year 5 and the children have loved it. We have been looking at how the author describes and uses the characters in his story. We have looked at different openers, relative clauses and different types of punctuation like parenthesis. Next week the children are writing their very own Tom Gates book including the famous doodles. George "I have really liked all of the English lessons and especially making the wow posters." Rowan "I really like the style of Tom Gates books with the different drawings and doodles." Rio "I like Tom Gates book as they are very funny and he uses different words in his writing." Filley "My favourite character is Derek. The book is so funny and amazing." Salma "I love the drawings and the character Delia – who is Tom's sister." Lena "I like Tom as he has lots of interesting adventures."

Look out for:

A quick plea for anyone who has newspaper at home to bring some into school. We desperately need newspaper for art projects in school. If you have any spare, we would really appreciate it if you could donate them to school. Please pass them to your child's class teacher who will ensure they get to our art coordinator.

Time 2 Chat:

This week we have been looking at holidays abroad. Could you ask your child to talk to you about what happens at an airport?
Encourage them to talk about:
how you may travel to an airport
how you check in
what happens to your luggage
what you need to check in eg boarding pass and passport
What you do whilst you wait for your plane
What happens when you are called to board
The plane journey itself
What happens when you arrive at your destination.
