### KS1 (Years 1 and 2)

This week 1AS and 1MB have been working with Mr Kemp to produce some art work in the style of Monet but don't worry 1LS it will be your turn next week. We looked at some of Monet's artwork and learnt that he painted lots of pictures of flowers and that he especially like to paint the same part of his garden but at different times of the year. We learnt that Monet often dabbed the paint onto the canvas instead using the paintbrush to make strokes. We looked at a video of Monet's garden and looked closely at the painting A pathway in Monet's Garden. We looked at the colours in the painting and learnt which were the primary colours and how we could mix them to create other colours and how adding black or white could make our colour darker or lighter. Mr Kemp showed us how we could use a paintbrush to dab the paint to create our own pictures just like Monet's painting A Pathway in Monet's Garden. Here are some of the pictures we enjoyed creating.

### KS2 (Years 3 and 4)

In Year 3, as part of a whole school art activity, we have been drawing and painting daffodils. Each class has had a real bunch of daffodils to copy. It was quite tricky but we did have some good results.

### KS2 (Years 5 and 6)

"This week year 5 have started their DARE programme. The children worked with Mr Gurney they discussed what they will be doing every week in DARE and started working in their workbooks. The year 5 children will have a weekly session with him and a graduation ceremony at the end of July."

Some quotes from the children:

"DARE has already given me advice for when your older."

Max Reeve.

"I know what the effects of alcohol can be and I will use this information to help me in the future." Harvey.

"We have learnt new things already such as laws."

Katlyne.
