## EYFS

To end our vehicle, this week Nursery have been experiencing different holidays! We have felt the snow at the Snowy mountains, had some hot chocolate while we are camping, enjoyed a bus tour of London and had an ice cream on the beach – now we have to decide which one was our favorite!

## KS1 (Years 1 and 2)

Year 1 have been busy looking at the parts of plants we identified the root, stem, leaf, flower and petal. We painted pictures of a flowering plant and then labelled the different parts and talked about what each part does. We are investigating which compost will grow the tallest sunflower and have planted marigolds to make our school grounds look nicer.

Here are 2 children from Year 1 who have painted a sunflower and labelled the parts of the flower.

## KS2 (Years 3 and 4)

This week in Year 3 we have created our Stone Age museum exhibits. We displayed our vehicle work, drew pictures and wrote fact cards to teach others about the Stone Age. We will be sending these pictures to Mansfield Museum to show them our fantastic efforts.

## KS2 (Years 5 and 6)

The children in year 5 have been writing their own version of a Tom Gates book. They had to decide on the setting, characters and plot. They even included their own Tom Gate doodles.

Here are some quotes from our class:

Kian "My story was a family trip to Cornwall. I enjoyed doing the doodles and the story was super cool."

Aurora "The story was about going to castle then to an Easter party. Would like to do it again."  
 Tristan "My story was about going to play football at his Auntie and Uncle's house. The story was both funny and happy."

Lacey "My story was about on holiday to the seaside. My story was funny and happy."  
 Charlie "My story was about a beach holiday and I got covered in sand and got flipped by a dog. It was a funny and epic story and I would love to write one again."

Amalia "My story was about getting lost in the woods even losing the car! The story was a mystery."

### Look out for:

In Year 6 we have been studying the poem- Lady of Shalott. Today, we have created questions we would like to ask her and some of our children have hot seated, to use our inference skills to answer the classes questions.

### Time 2 Chat:

Please talk to your grown up about the holidays you have experienced in Foundation this week. Ask your child what they found to do on the beach, in the snow, in the city and when they went camping. Maybe they will tell you about some of the little treats they had too!
