

Important messages for this week:

We want to say a huge thank you to all our families who took part in the penalty shootout sponsorship. We can now confirm that we have beaten our own school record and raised a whopping total of...

£4546.15!!!!!!!

We are so grateful to all your wonderful support. We feel that this is an achievement to be very proud of. We are looking to spend some of this money in buying some much-needed PE equipment and looking to improve our playtime provision. Stags will use their share of the money raised to continue their work in supporting our community.

Mentions:

Foundation 2:	F2KE Jayden and Olivia	F2CA Oliver and Sky	F2LC Nicole and Georgia
Year 1:	1AS Jessie and Talia	1LS Eric and Isabella	1MB Faith and Tayla
Year 2:	2SB Roberts and Mia	2EB Abdul and George	2JW Joel and Hadeer
Year 3:	3MS Olly and Saayeem	3HB Maisy and Casie	3AD Ollie and Roxie
Year 4:	4EP William and Lucy	4AB Maddison and Isabella	4AR Lola and Paige
Year 5:	5LB Myanie and Alex	5HM Amelia and Harvey	
Year 6:	6EB Sophie and Kelsa	6JS Jasmine and Cara	

EYFS

This week we have carried on exploring and enjoying our topic of 'Growing'. Last week we sent home our sun flowers and it has been lovely to see the pictures coming through on TEAMS of the progress of all of the sunflowers at home. This week we have planted our own cress heads in school, and we held an experiment where we are testing whether a cress head can grow without water and if a cress head can grow without any light. The children have loved checking on their cress heads each day. Today in our Forest Schools we hunted for things that are growing on our field; we found flowers, pear and apple trees, daisies and berries. Please remember to send photos of your child's sunflower so we can look together in class.

KS1 (Years 1 and 2)

Year 2 have loved taking part in basketball coaching this term. They have learnt about awareness of space around them and have now moved on to working with the basketball and coordinating their hands to bounce and hold the balls – it's quite tricky but fun!

KS2 (Years 3 and 4)

In Year 4, we have been started our "Healthy Athlete" vehicle and this week 4AB have been looking at the artist Andy Warhol. We have been creating repeating prints of athletes/sports equipment in the style of Andy Warhol's famous pop art. We really enjoyed the printing process and were super impressed with our outcomes!

KS2 (Years 5 and 6)

Transition Sessions

In Year 6, we have been completing weekly sessions focusing on our next big move, to secondary. In our lessons, we have looked at the school uniform and the different subjects we will study. This week, we have had a look at a typical timetable and used this to plan what we would need to take to school each day. We then used this to plan our route around the school site. It is much bigger than Sutton Road, but we have mastered it now and are getting ready for September.

Challenge for Year 6 Parents:

Begin to discuss with your child, how they will get to their new school in September, you could always plan the route.

Look out for:

Please remember to wear a face mask when bringing your child to school as well as collecting them at the end of the day.

Attendance:

Whole School attendance:

Whole School Attendance: 96.25%

Winning Classes: Class with the highest attendance: 4AR again with 98.49%

Time 2 Chat:

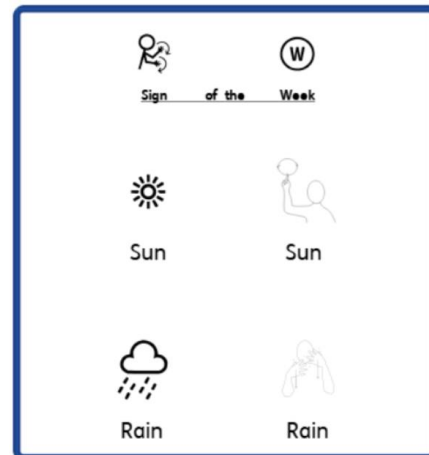

This week in Foundation we have been planting cress heads. Can you please talk to your child about what we did?

Can they tell you about the cress experiments we are testing out too? Please encourage your child to then think back to the sunflowers we planted last week.

Can they remember what we did?
What is the same about the cress planting?
What is different?
What do your sunflowers look like now?

Sign of the week:

Here is this week's Sign of the Week.

Class Emails:

Nursery (Miss Scales)	SRF1@suttonroad.org
