

## Important messages for this week:

Year 3 are taking part in weekly Times Table Rockstar battles. Two weeks ago they had a battle against year 2 and 2SB won. Last week they have a battle girls versus boys with the girls winning. This week the year 3 classes are battling each other. The winning class wins sweets and a mention in the next newsletter and mentions. Your child should have their username and password in the home/school diary and have been shown how to login in class.

## EYFS

This week Nursery have been planting, growing and eating some cress as part of our 'How does your garden grow' vehicle. We loved watching how the cress got bigger and bigger and then we put it in a sandwich ready to eat!

## KS1 (Years 1 and 2)

Year 1 are loving their dance lessons with our coach based around our vehicle Glorious Gardens. We are learning a dance based on Dr Suess' The Lorax and we are performing it to the song Let it grow (The Lorax singers).

## KS2 (Years 3 and 4)

For our vehicle lesson, Year 3 had Rory, a chef, come to visit us and talk about what it was like to be a chef. He shared with us his 'pearls of wisdom' and the roles, responsibilities and skills of being a chef. The children were really excited and listened really carefully to what he had to say. They asked many interesting questions and Rory was more than happy to answer them. This was such a valuable experience for the children and their life prospects.

## KS2 (Years 5 and 6)

On Tuesday 29<sup>th</sup> June Nikki Biggs gave the year 5's an amazing and informative talk about her career in School Games and how it links to the vehicle subject of Ancient Greece and the Olympics. Nikki has had a long career in sport, having taken many courses and passing a degree to succeed in her job. Nikki passed on her knowledge on for those children interested in a career in and around sport. Nikki discussed with the children the many different sports that link to the Olympic games past and present. The children learnt that because there is such a wide range of sport there is something out there for everyone!

The children enjoyed the question and answer session – Salma, Poppy, Yasmine, Leon and Declan asked Nikki about favourite times in her career, her experiences at the Olympics and times when her job has tested her!

Thank you Nikki for a great session – the children loved it and learnt lots.

### Look out for:

Yesterday, year 6 took part in a transition workshop with Mansfield Palace Theatre. During the session, we developed team building skills- including folding up the tarpaulin sheet- which is trickier than it looks!

We also explored our emotions around moving to secondary and took part in role play. We had a great day!

### Attendance:

#### **Whole School attendance:**

Whole School Attendance this week is: 94.21%

**Winning Classes:** Classes with highest attendance: 2SB and 5HM with 100%

### Time 2 Chat:

Please can you talk to your child about transition day. Encourage them to think of all the things they are looking forward to next year.

Are they excited to meet their new teacher? I wonder who it might be?

What new friends will they make?

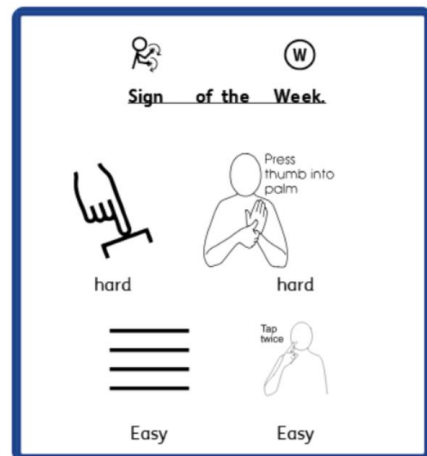

What fun things might they do?

What will their new classroom be like?

Which classroom do you think it will be?
