

Important messages for this week:

“Well done to 3MS for winning the year 3 Times Table Rockstar battle, it was very close but they managed to win again. The next Times Table Battle takes place from 13th July – 19th July between year 3 and year 4. Good luck”

Watch out - Head Lice are about.

Please remember to check your child's hair on a regular basis for little visitors. The wet combing technique is recommended for getting rid of them, but numerous products can be bought from a supermarket which will also help.

REMEMBER
ONCE A WEEK,
TAKE A PEEK

EYFS

This week Nursery have been learning about bees. On Thursday we had 'Buzz the Bee Man' in to show us bees and how to make honey. We even got to taste some honey!

KS1 (Years 1 and 2)

Year 1 have been making clay coil pots as part of their Glorious Gardening vehicle. They had to roll the clay into long snakes/sausages and coil them around to make the shape of the pot. The coils then need to be smoothed together. The pots need to be left to dry and then they can be painted. Year 1 are also looking forward to harvesting the potatoes they planted before the Easter holidays.

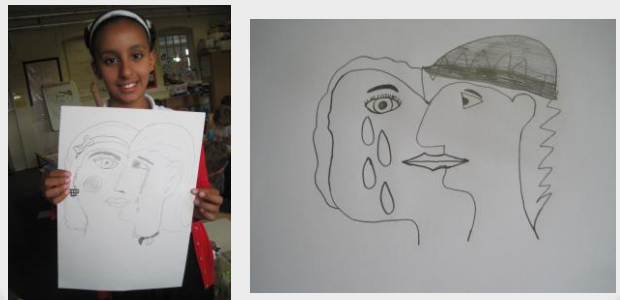

KS2 (Years 3 and 4)

As part of our vehicle "Can I take your order?", this week, the year 3 teachers took part in a Great British Bake-Off Challenge. Each teacher had to bake a cake and the children were the judges. It was a secret competition, so the children had no idea who had baked each cake. Surprisingly though, each class somehow picked their own class teacher as the winner. So the star bakers were; Miss Smith, Mrs Baines and Miss Pickford!!

KS2 (Years 5 and 6)

Year 5 have had sessions with Mr Kemp today creating a masterpiece in the style of Pablo Picasso. Watch this space for images of the finished product later in the week.

Look out for:

'We have been awarded our NHS careers certificate for the fantastic work produced by the children for the 'Step in to the NHS' competition. We enjoyed exploring the wide range of careers the NHS has to offer, considering our own unique sets of skills and how these can contribute to the world of work.'

"I really liked learning about the different jobs in the NHS. I can't believe how many there are. I'd like to be a Paediatrician because I want to work with and help children when I grow up. I was able to learn how long it would take to get this type of job and what qualifications I would need to do it". - Myanie Westwood (5LB)

Attendance:

Whole School attendance:

Attendance this week is 94.42%

Winning Classes: The class with the highest attendance is 5LB with 99%- amazing work, well done.

Time 2 Chat:

This week we have been learning about bees their lifecycle and the important job bees have. Please ask your child to tell you what they know about bees.

Can they talk about the bee life cycle?

What do bees use flowers for?

Can they remember how long bees live for?

What is the important job bees do?

What wouldn't there be if we had no bees?
