EYFS

"This week in Fresh Air Fridays we have been finding and looking closely at different minibeasts. We had lots of fun out on the field. Please make sure your F2 child brings a pair of wellies/ practical boots and a coat every Friday. These can be left on their pegs in a named bag and left there throughout the week"

KS1 (Years 1 and 2)

Year 2 are investigating germs this term. The science investigation question is Is it important to wash your hands? We have 4 slices of bread on display to find out which one has the most germs growing on it. One slice was touched with hands that had been cleaned with soap, one slice has been touched with hands using hand sanitiser, one slice has been touched by dirty hands and the final slice is our control. It has not been touched at all. The slices are in sealed bags and we are waiting to check them next week. The children have already predicted that the dirty hands slice will have the most mould growing on it! We shall see if the soap and sanitiser have worked!

KS2 (Years 3 and 4)

Year 4 have been looking at the Romans this half term. We have already looked at the Roman invasion of Britain and know the Emperor Claudius was successful in taking over Britain in 43AD. We have also looked at the building of Hadrian's wall to keep out the 'Picts' and we are looking at the importance of Boudicca.

We are also really looking forward to our Museum trips!

KS2 (Years 5 and 6)

Year 6 has started their Vehicle this week – 'Scream Machine'. As part of this we have been looking at ordinance survey maps. We explored the symbols on the key and tried to find key land marks. We managed to find Drayton Manor!

Look out for:

We have a real-life author visit coming up on the Wednesday 13th October 2021. He will be doing an in-school book signing on Thursday 14th October. Following on from the Luke Temple Masterclasses that Sutton Road took part in last year, we are excited to inform you that Luke Temple will be visiting our school in person on Wednesday 13th October 2021. During the morning, he will be leading assemblies with children from Year 1 to Year 6 and he will then be returning to Sutton Road on Thursday 14th October 2021 to sign books. We are really looking forward to having visitors in school again!

Attendance:

Whole School attendance so far this year is 93.19%=(The highest class so far this year is 2JW with 98.44% Biscuits are on their way to 2JW, well done guys!
Whole School attendance for last week is 93.24%=(The highest classes for the week were 5LN and 4FG =) Well done to them!

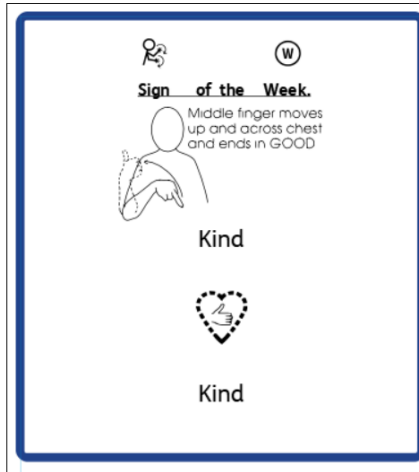

Time 2 Chat:

Can you talk to your child about the vehicle they are focusing on in their classes?
 Can you find out from your child what their vehicle is?
 What they already know?
 What have they learnt so far in their lessons?
 What they hope to learn?
 Have they learnt any new vocabulary?
 Can they tell you what it was and what it means?
 What have they enjoyed most about the vehicle so far?
