

Important messages for this week:

Please can we remind parents that we do not allow dogs onto the school site for safety reasons, if you have your dog with you please make arrangements to wait for your child outside the school gate.

Reading At Home

Don't forget to logon to Bug Club to read your newly allocated books at home. Your child's login details will be in their organiser. Please email your child's class teacher if you need more help. We reward reading at home each week with dojo points galore! 😊

EYFS

This week for our TreeTop Tuesday we had lots of fun learning outside, we built animal homes using a variety of different natural resources. We were really impressed with how enthusiastic the children were, they loved getting a bit muddy and they all got stuck in. With the Autumn and Winter months approaching please remember to bring in wellies, a hat and a warm coat for your child each Tuesday.

Thanks,
The F1 Team

KS1 (Years 1 and 2)

In Year 1 this week we have had delivery of the last pieces of our new furniture which has been really exciting. We have had lots of fun exploring our new areas and would like to share these with you.

We now have in our communal space a:

- Role play area
- Small world area
- Construction area
- Writing area
- Painting area
- Creative area
- Malleable area
- Transient art

In addition to this each classroom has a phonics area, Maths area, Writing area and Reading area.

The children have opportunity to access our new environment throughout the day in addition to their class based learning and are thoroughly enjoying their transition to Year 1!

KS2 (Years 3 and 4)

Year 3 have been down the mines! We set up our classroom to look like mineshafts. We discovered they were dark, hot and very confined spaces. Torches and hard hats certainly helped the miners to stay safe. The children had the challenge of getting a book out of the mines, working as a team and after, they had to get a cup of water out! It was very tricky but every team managed it. 3EB only had one cup spill! Excellent team work skills all around.

KS2 (Years 5 and 6)

Year five have been learning about rationing from WW2 this week. We have been weighing out the small amounts of food families were allowed each week and we were shocked at how small the portions were! We then made two versions of porridge: one with milk and sugar and a rationed version with hot water and salt - yuck! This helped us understand how hard it must have been when food was so limited. We are now really excited to take our learning to the next level when we get to venture out on our WW2 trips to Perlethorpe in the coming weeks!

Look out for:

Don't forget to get photo orders in asap.
 Don't forget to complete you online consent for flu immunisation which are taking place on Tuesday 9th November.
 Please remember to keep an eye out on Parentmail for any Menu Changes.
 There are lots of trips happening...so please make sure you know if these effect your child.

Attendance:

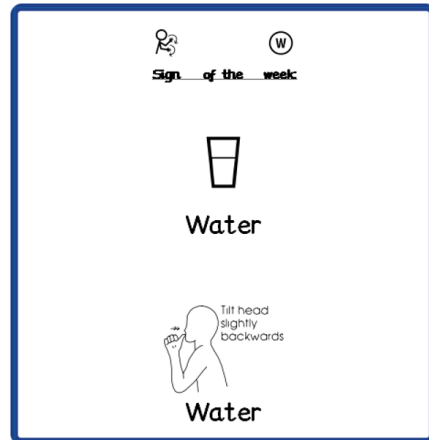

Whole school Attendance so far this year is: 94.05%
 Last week's Whole School Attendance was 93.32%
The Class with the highest Attendance was 2JW with a perfect 100% Well done to 2JW.

Time 2 Chat:

This week can you ask your child to pick out a book for you to read together.
 Before you start reading can you ask your child to look at the cover and predict what they think the story will be about.
 Talk about all the clues they can see on the front cover.
 Read the text together talking about any unfamiliar words that you may find as you read and discuss what they mean.
 Encourage your child to share any knowledge they have ie if there is a bear in the story ask them what they know about bears.
 Once you have read the text encourage your child to summarise what the story is about.
 Can they talk to you about what they like about the story, what they didn't like?
 Who their favourite character was and why?
