

## Important messages for this week:

Please could we ask that all earrings are taken out on PE days. Unfortunately, due to health and safety, we are not allowed to remove your child's earrings nor are we able to accept plasters over ears. If there is a reason your child cannot remove their earrings, please speak to the class teacher. Thank you for your continued support.

Our amazing office team were at Clumber Park last Sunday taking part in the 8.5km Memory walk to raise money for the Alzheimer's Society. Thankfully, the rain held off and they completed the walk in the sunshine and raised over £280.

## Mentions:

**Foundation 2:** **F2KS** Reeva and Lucinda  
**Year 1:** **1AS** Karter and Sofia  
**Year 2:** **2MB** Luca and Henry  
**Year 3:** **3MS** Noor and Corey  
**Year 4:** **4HB** Mia and Tia  
**Year 5:** **5LB** No mentions  
**Year 6:** **6EB** Richard and Declan

**F2CA** Skyla and Elijah  
**1LS** Henry and Ellie  
**2NG** Ava-Starr and Ryan  
**3EB** Ruby and Jack  
**4AO** Mara and Corey  
**5JS** Freya and Jaxon  
**6HM** Jake and Shannon

**F2SB** Clara and Toby  
**1KE** Ethan and Fern  
**2JW** Oliver and Nadia  
**3CM** Krzysztof and Max  
**4FG** Nicola and Ollie  
**5LN** No mentions

## EYFS

This week it's been chilly in nursery, the children have been learning about the Arctic and the animals that live there. We felt real ice and built igloos for polar bears. The children were also really passionate when we talked about how we can keep our oceans clean for the animals by putting our plastic in the bin. What a lovely week!

Also please remember to register your children for their free milk in nursery on [www.coolmilk.com](http://www.coolmilk.com)

## KS1 (Years 1 and 2)

This week in our vehicle we have been focusing on our geography skills looking at points of the compass – North, East, South, West. We took a virtual walk from school in a circuit and back to school learning and then identifying human and physical features we passed. We have also looked at where we live on google earth and identified our school and other places of interest. We would like to set the Year 1 children a challenge – can you use google earth and show your grown ups where the school is? Can you find your house? Look for anything else that is of interest to you – you could search for Buckingham Palace where the Queen lives, somewhere you have been on holiday – we can't wait to hear what you find.

This is our journey on an aerial view of a map we took from school to Jenford street.

## KS2 (Years 3 and 4)

This half term the vehicle for Y3 is the battle of the mines and last week the three classes visited Pleasley Pit. The children spoke to some ex-miners who are now volunteers at the mine to learn about what life was like down the mine but also understand how mines work. The children saw the engines and the headstocks which lowered the miners into the mine, and the children got a chance to stand inside the lift that miners for 100 years went down into the pit. The children saw old machinery and equipment and got a talk on how they used to mine coal starting with a pickaxe through to blowing coal up with dynamite. The Y3 Children completed fieldwork on human and physical geography whilst exploring the country park around the pit.

## KS2 (Years 5 and 6)

Year 5 had a great time at Perlethorpe as part of their WW2 evacuee day last week. We took part in an orienteering activity, where we had to identify planes. We also enjoyed being in the old school room and finding out which families we would be sent to live with. We were definitely glad we got to come home!

### Look out for:

**Lost Property:** We are becoming swamped with lost property again. Every year groups seems to be collecting more and more each day. Most don't have names in them. We also have outdoor coats within this lost property which must belong to someone. If you have any missing items, please get your child to go thorough lost property to try and find it. Many thanks.

### Attendance:

Winning class is 3MS with 98%  
Whole School last week 90%  
Whole School for Year 92%

### Time 2 Chat:

Can you look at the picture below with your child?  
Can you ask your child what they think it is?  
Who do you think the object might belong to?  
Who might have used the object?  
What would they have used it for?  
How old do you think the object is?  
Can you think of a story or film including this object?  
Can you make your own story including this object?
