Autumn 1 Week 6

Week beginning – 11.10.21

Important messages for this week:

Here are some photos from our recent drumming workshop.

Mentions:

Foundation 2: F2KS Esme and Grace

Year 1: 1AS Anaya and Eleanor

Year 2: 2MB Cody and Esmee

Year 3: 3MS Faith and Coral

Year 4: 4HB Noah and Ghadeer

Year 5: 5LB Rose and Kaiya

Year 6: 6EB Rowen and Poppy

F2CA Max and Ella

1LS Amelia and Alfie

2NG Eleanor and George

3EB Franek and Naomi

4AO Logan and Ryan

5JS Malachi and Esmail

6HM Amalia and Rowen

F2SB Clara and Oscar

1KE Liza and Ruby

2JW George and Aneya

3CM Kenzee and Ross

4FG Hannah and Tommy

5LN Lilybelle and Gabriels

EYFS

This week in F2 we have been learning all about the Arctic and what animals live there. We have been deciding whether our robot 'Chewee' would like to live there. We have made snowflakes, wrote our phonics sounds in snow and made prints in the playdough.

KS1 (Years 1 and 2)

Year 2 had a visit from the Author Luke Temple this week. It was great for the children to see him in school, as last year in Year 1 we did an online Workshop with him. The children loved reading Albert and the Blubber Monster and Albert and the Giant Squid last year and could remember the stories and the characters. This time they could join in with the actions as Luke told some of the story. We found out that he has written 10 books and has a new one about to be published called The Poo Monster. We are all very excited about reading that one.

KS2 (Years 3 and 4)

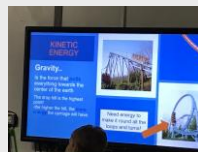

The whole school has been discussing Black History month and looking at the importance of some black men and women within our History. We looked specifically at Martin Luther King Jnr and discussed Rosa Parkes too.

4AO thought these people were amazing and important people who should be celebrated for their achievements. We enjoyed creating some artwork to promote equality too, here are some photos of us creating our designs.

KS2 (Years 5 and 6)

Last week year 6 went to Drayton Manor as part of their vehicle work linked to Roller coasters. We learnt what materials are used to make roller coasters, what science is used to make them move, the design process involved and how expensive they are. We also got the opportunity to go on some of the rides and roller coasters there."

Look out for:

Attendance:

Attendance:

Whole school last week – 94%

Year – 92%

Last week's winner 5LN – 99%

Time 2 Chat:

In most Year groups the children are coming to the end of their vehicle and have completed an end outcome.

Please talk with your child to find out what the end outcome was.

Did they create a book?

Have they built something?

Why did they complete the end outcome?

What skills have they learnt?

Has it inspired them to do anything like this again?

Did they look at a particular job?

Would they like to do this in the future?

Is there anything else they would like to find out about their vehicle theme?

What did they enjoy most learning about?

Can they recall and share with you the diversity elements they looked at eg Year 1 looked at people who compete in the Olympics who have disabilities and how activities such as painting and drawing can still be achieved by using their feet or mouth? Perhaps you could have a go at doing this at home too 😊
