

## Sports Hero of the Week

Each week, we are looking to celebrate someone who works within the sport. This could be someone famous or not. We will be looking at people from different backgrounds in different careers. We would love for you to talk to your child about our sports hero of the week. We hope that this may inspire some of your children and realise that with a bit of hard work and resilience, that they can achieve their dreams and be like their heroes. This week, we would like to celebrate Marcus Rashford. Marcus is a well-known footballer. On the 9<sup>th</sup> November, he received an MBE from Prince William which he dedicated to his mum. Marcus was awarded this because he helped to feed children across the country during lockdown. He is also the youngest person to ever receive an honorary doctorate from the University of Manchester for his work with fighting child poverty. Did you know that Marcus began his football career at the age of 5? He started out playing as a goalkeeper and by the time he was seven, he joined the Manchester United Academy system. You can find out more about Marcus Rashford here: [Marcus Rashford: Feeding Britain's Children - inside his campaign to tackle child hunger - BBC Sport](#)

## EYFS

Here are some pictures from our Fresh Air Friday Maths work. The children were exploring subitizing in the natural environment. Could we also remind our children to continue accessing Bug Club. If you have lost your log in details, then speak to the class teacher to get a new copy.

## KS1 (Years 1 and 2)

In Year 2 we have been looking at the creation story in RE.

The children have created collages of each day. They used paper and card to create their pictures. They worked in teams to complete each one.

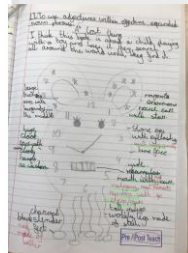

## KS2 (Years 3 and 4)

Year 4 have been lucky enough to visit the library and take part in some activities. The children really enjoyed playing Bingo and playing a game to find out interesting about the library. All the library staff were amazing and made sure each child was amazed by the books.

## KS2 (Years 5 and 6)

In year 6 we have started a new unit in English, where we are looking at Shaun Tan's *The Lost Thing*. This week we have been designing our very own *Lost Things*. We have had some great creations. Over the next couple of weeks, we will be writing a set of instructions to look after our *Lost Thing*.

**Our Poppy Appeal this year has raised £191 for the Royal British Legion. A huge thank you to everyone who donated!**

### Look out for:

As you will be aware, Sutton Road Choir have been working very hard, practising a range of their favourite songs and Christmas carols. Therefore, the children would like to invite you to their Christmas performance on **Thursday 16<sup>th</sup> December** from 2.30-3.00 in the **small hall** for a mince pie, tea/coffee/hot chocolate and a sing along. All choir children will need to be in full school uniform and will also need to bring a Santa hat/Christmas head band to wear during the performance (and lots of Christmas spirit). The performance will be free of charge but any donations would be much appreciated. We hope to see you there!

### Attendance:

Whole School Year : 92.79%  
Last week: 95.7 %  
Highest Class: 99.66 %

### Time 2 Chat:

This week please can you spend time talking to your child about.....

Who is their favorite storybook character and why they like them?

Imagine your favourite character came to life and you had to interview them.

Think of at least five questions you would ask them. Write them down on a piece of paper. Are there any clues in the book which could help you answer any of the questions you have thought of?

Super challenge - You could ask someone else in your household to pretend to be your favourite character and ask them the questions you have written down.

Take it in turns to be the character and interviewee.
