

## Important messages for this week:

Watch out...nits are about...

We would recommend that you regularly check your child's hair for little visitors. We have had quite a few reported cases recently. We would recommend the wet combing technique which is very effective, however you can purchase lots of different treatments from supermarkets and chemists which also treat the problem well. It is also advisable to repeat the treatment after 7 days just to ensure they have been properly eliminated from their hair.

## EYFS

Take a look at our Foundation Queens and Princesses (and knight) in our F1 castle. The children are absolutely loving our topic this term all about Castles, they are all really getting involved and enjoying all of our activities. They are all really excited for our banquet on the 2<sup>nd</sup> December, they have been talking about what food they would like to eat and which fancy clothes they are going to wear....We are just hoping the dragon doesn't escape from the dungeon again!

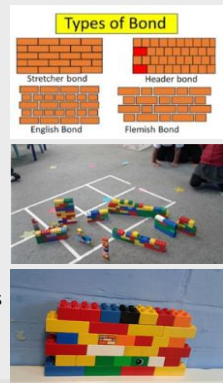

## KS1 (Years 1 and 2)

As part of our vehicle this week we have been looking at which of the Three Little Pigs houses was strongest and why. We have learnt about the different types of bonds that are used when building with bricks.

We then became scientists and built different walls using Lego, Duplo and wooden bricks. We tried to build using these bonds to find out which was the strongest. We predicted the header bond would be the strongest but after our tests we found out the stretcher bond was the best.

Here are some of our walls 😊

## KS2 (Years 3 and 4)

Year 3, we have created models of the water cycle using ziplock bags, water and food colouring. We have placed these beside the windows to be in the sun. Soon we hope to see the stages of the water cycle happening inside!

## KS2 (Years 5 and 6)

Year 5 are planning to raise some money for charity, through their vehicle lessons, by cooking and selling a Christmas dinner to staff. This week, we have been looking at the nutrition value of different foods and researching how they are cooked.

## Time 2 Chat:

This week the children came to school dressed up as their favourite Monster Phonics Monster.

Could you please talk to your child about the day?

Which characters did the staff come as?

Can they remember the sounds each of the Monsters represents?

Can they remember any of the alternative sounds for each Monster eg **Angry Red A** makes the A sound using a, a-e, ay, ai, ei, eigh, ea, ey

What activities did they do on the day involving the Monsters?

Can they show you how to write any words using their favourite Monster colours?

## Sign of the week:
