## EYFS

F2 are really enjoying their Fresh Air Friday sessions! We have been taking advantage of the cold weather and making a den! Don't forget – we go on the field every Friday! Don't forget your wellies!!

## KS1 (Years 1 and 2)

This may look like a pile of old boxes but its not!! This is the beginning of the year 2 Tudor houses. The children have found out about how Tudor houses were built and have learnt the words Wattle and Daub, Wooden beams, Jetty.

They know that the ground floor was built smaller than the first floor and some houses had a third floor that was bigger than the second floor. They are working in groups to create the Tudor houses. This is the first stage covering them in paper and constructing the houses. After that we have to add the wooden beams, windows and straw roof. We'll post a picture of the finished houses soon!

## KS2 (Years 3 and 4)

Year 4 have been looking at board games as part of their Science vehicle this half-term. We have evaluated some existing well known games to see whether they were appropriate for a variety of abilities and looked at which ones contained circuits. We voted Monopoly as our favourite!

## KS2 (Years 5 and 6)

It is time to get creative!

In year 6 we have started our new Vehicle: Our Changing World. We will repurposing some plastic bottles and creating a new masterpiece.

Please can we ask if you could bring any clear plastic bottles in to school, ready for this. Please can these be handed in to the Y 6 classes. We can't wait to share our creations!

### Look out for:

### Sports Hero of the Week

Andy Murray is our sports hero of the week. He has beat his opponent to reach the ATP final. The last time he had four consecutive victories was in October 2019. Andy Murray was born in Glasgow and began playing tennis at the age of 3! Through hard work and determination, he has seen many successes and victories over the years.

### Attendance:

Last week's winning year group was Year 5 with 98.93% Attendance. Top Classes this week are: 5LN 99.11%, 5LB 99.08%, 4AO with 99.16% and 3MS with 99.11%. Amazing guys, well done!

### Time 2 Chat:

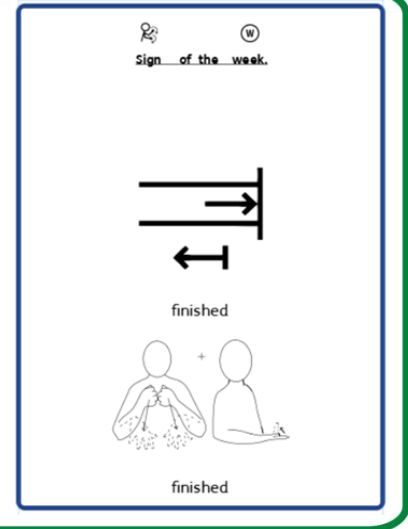

For this week's time to talk we would like you to get those old family photos out and tell some memorable stories!

Sometimes you can capture the most interesting things in photographs. You can play a game, such as tell a story in less than 10 photographs. Or flip through different photos, saying what you see in each one.

Don't worry if your child keeps repeating the same story over and over again. Just provide them with some extra suggestions to help change the story.
