## EYFS

For our new vehicle topic we are learning about lots of different types of weather and at the end of our topic we are going to become real life weather reporters! So keep an eye out for your nursery weather superstars this half term.

So far the children have learnt about snowy weather, the sun and the rain. We have had lots of fun creating our own puddles to jump in outside, the children have been busy making lots of lovely creations of different types of weather, we found our own shadows in the sun and have observed the weather each day. Well done F1.

## KS1 (Years 1 and 2)

This week Year 1 are looking at rhyming couplets and will be writing and performing their own rhyming couplet. They are finding words that rhyme by listening carefully to the final sounds in the words and have realised that the same letters are used at the end of the word but sometime a different letter string can make the same sound. Listening to nursery rhymes will really help them to recognize rhymes and also making rhyming strings where you give them a word and they find as many rhymes as they can eg  
 bat hat fat rat cat or log frog dog hog bog jog flog. Rhyming books by authors like Julia Donaldson also help them to hear the rhymes.

## KS2 (Years 3 and 4)

In our talking points, we have been thinking about our health and well-being. This week, we looked at the story 'Crab and Whale' which is about a crab who helps a whale stay calm when she ends up stranded on a beach. Crab and whale completed numerous activities such as breathing calmly, stretching up, looking at the cloud and making shapes. We applied some of this learning when we thought about our own wellbeing and had a go at creating some of our own 'Take 5' breathing style exercises. We had a range of creative and imaginative ideas ranging from unicorn breathing and Minecraft breathing to birthday cake breathing! We had a go at trying different breathing exercises in the classroom and discovered that they help us stay calm and help 'blow away some worries' and negative thoughts.

## KS2 (Years 5 and 6)

This week, Year 5 have been learning about the life cycle of a plant. We dissected flowers and identified the different female and male parts of the flower. A huge thank you to Morrisons for donating the flowers!

## Look out for:

### Sports Hero of the Week

Our sports hero of the week is Montell Douglas. She is the first British woman to compete in different sports at both summer and winter Olympic games. Montell is a former British record holder for 100m and she represented Great Britain at the 2008 Olympics for this race. In 2017, she took up bobsleigh and became part of the Great Britain's two-woman bobsleigh team. She will be competing in the GB bobsleigh squad for Beijing.

## Attendance:

Whole School Attendance for last week was 96.17%  
 F2SB had 99%  
 F2CA had 99.32%  
 3CM had 99.31%  
 Well done guys!

## Time 2 Chat:

This week please can you share with your child a story by Julia Donaldson that you may have such as:

The Gruffalo  
 The Snail and the Whale  
 Zog

Room on the Broom  
 Stickman

These can also be accessed on

<https://www.bbc.co.uk/iplayer/group/p06vkmht>

Read the story to your child and talk about what is happening in the book at appropriate points.

Ask your child if they can tell you anything about the text?

Encourage them to notice that the book contains rhyme.

Can they spot the rhyming words in the text?

Can you work together to pick some of the rhyming words from the text and create a list of rhyming words?

Remember to rhyme the word must sound the same at the end.

Can you write some silly rhyming word sentences together?
