EYFS

This week we have been learning all about rainbows. We did an experiment to see what happened when we put kittles in water and milk. It made an amazing colourful rainbow pattern!

KS1 (Years 1 and 2)

Year 2 have been making Tudor houses. They worked in small groups to create their Tudor house. Firstly they covered the boxes in paper and stuck the larger boxes on top of the smaller boxes. We then added the wooden beams and windows. The roof is covered in straw. They are now ready to create a London street scene in 1666.

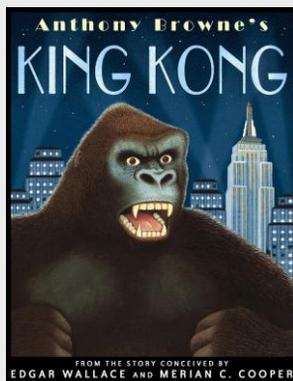

KS2 (Years 3 and 4)

Year 4 have been looking at King Kong as part of English this half term. We have written some news reports focusing on King Kong attacking New York City.

The children all expressed how they felt about how King Kong Ended.

Ask the children their favourite part of the story! Their answer's vary.

KS2 (Years 5 and 6)

The Magic World of Water!

As part of our vehicle, we have had a virtual assembly with Seven Trent Water. During the session, we looked at the water cycle and how they clean the water to help us have safe water that we can drink. We also made a pledge to safe water. As your child what the 3 ways we can safe water?

Look out for:

Sports Hero of the Week

This week's Sports Hero of the week will take a slightly different direction. We are going to do a shout out to Isaac Parkin. Isaac Parkin is a 17 year old sports photographer from Sheffield. The first professional game he photographed was Harrogate Town v Walsall in September 2020 during the Covid pandemic when games were held behind closed doors. Isaac first started taking photos at the age of 14. You can check out Isaac's photos at @isaacparkinphotography on Instagram.

Attendance:

Last week's whole school attendance was 94.29%

Class with the highest attendance was 3EB with 98.67%

Time 2 Chat:

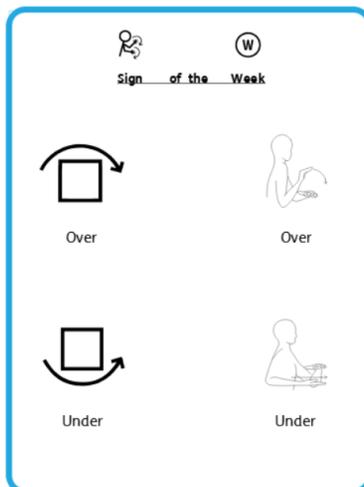

At the beginning of the school Year all children looked at the story of The Colour Monster. A story about emotions.

[The Color Monster - Read Aloud by Mr. Joshua Brooks - Bing video](#)

Please can you share this story with your child and talk to them about the different emotions in the book. Once you have read the story please talk to them about when they have felt each of the different emotions. Please discuss with your child about how it is acceptable to feel the negative emotions such as: angry, sad, scared etc and what they could do to turn these feelings around. Please think about who could help them and how they can help themselves.
