Spring 1 Week 6

Week beginning – 7.2.2022

## Important messages for this week:

On Wednesday **Sutton Road football team** played Wynndale Primary in a close encounter.

The game was played in good spirit and was played at a very fast pace with Sutton Road having to defend straight away as Wynndale started off the stronger team.

With the game a draw and 13 minutes left both sides had time for a couple more chances but unfortunately neither team could take the lead. Full time was a draw and a fair result with both teams playing well.

Player of the match – Charlie. He played well in defense and in attack and made sure Wynndale didn't score more with his defensive strength and ariel ability.

## EYFS

In F2 we have used all of our vehicle learning about weather to become meteorologists and weather reporters. We made our own weather forecast in front of the map of the United Kingdom.

## KS1 (Years 1 and 2)

In Year 2 we have been fortunate to work with the dance instructor. The children have created a dance to the song Fireball. Over the 6 weeks the children have been introduced to a different section of the dance. Some of the dance has been improvised by the children. They have worked individually as well as in small groups and as a whole class. It has been great fun and they can now 'dance like flames, shimmy, pencil and fireball!'

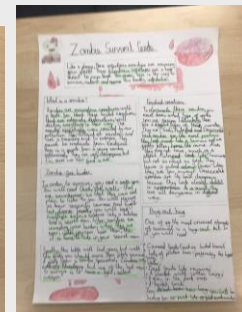

## KS2 (Years 3 and 4)

Year 4 are starting to create their board games! We are creating our own version of "Operation" using the ear. Mr Kemp helped us to paint an ear by mixing realistic skin-tones and now, we are creating the circuit with a buzzer and bulb to show when you have lost the game. We are really excited to play our finished products!

## KS2 (Years 5 and 6)

In Year 6, we have been creating a Zombie Survival guide and the children have produced some amazing writing!
