

Important messages for this week:

Today, we were extremely privileged to have the four time Olympic medalist, Rebecca Adlington, visit the children today. She kindly led an assembly about water safety, told us about her life and showed us her Olympic medals! All children in years 3,4 and 5 have received a signed leaflet by Rebecca and can book a free swim at Swim! in Mansfield. We encourage all children to check out the new facilities at Portland Retail Park, Mansfield, Nottinghamshire, NG18 1HA. For more information about Swim!, check out the website here: [swim! mansfield](http://swim!mansfield)

1KE Lilly and Olivia

2JW Eli and Destiny

3CM Max and Tomas

4FG Sara and Noushin

5LN Nathan and Hope

EYFS

The children were really enthusiastic about our Day for Ukraine on Monday, they got busy creating sunflowers and exploring the colours blue and yellow from the flag.

Thanks for all of your support.

Also remember it is EYFS carnival on Tuesday the 29th so please remember to send your child in a top or outfit in their class colour.

KS1 (Years 1 and 2)

Year 2 This week we have been working very creatively making our very own stone pets. The children looked at their designs from last week and then chose a stone most suitable to create their pet. The children took time to look at their resource list and chose what they needed to decorate their pet. The children put a lot of thought into their creations thinking carefully about what materials to use and modified them. The children were very proud of their finished stone pets and we had everything from cats to snakes!

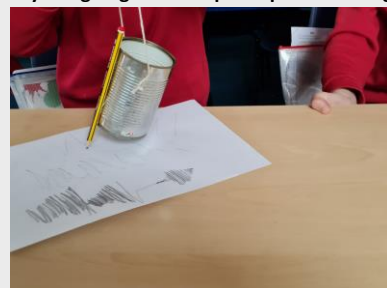

KS2 (Years 3 and 4)

Year 3 have been taste testing plant-based burgers today as part of their 'Can I Take you Order?' vehicle. As you can see from the almost empty plates, we really enjoyed them. Overall, our favourite seemed to be the No Chicken Burger. We couldn't believe that this wasn't real chicken as the flavour and taste was so similar. We will be making our own plant-based burgers before the end of term and this has given us lots of ideas about ingredients which we would and wouldn't like to include.

KS2 (Years 5 and 6)

As part of our vehicle work, Year 5 have been learning about volcanoes and earthquakes. We made our own seismometer and created our own earthquakes in class. We are going to finish our vehicle by designing an earthquake-proof building.

Look out for:

We have enjoyed supporting Ukraine today, wearing blue and yellow. Mara even inspired us with the dove on her t-shirt to create our own peace symbols.

March into March results

1st 3CM
2nd 4AO
Joint 3rd 3EB, 6EB and 1AS

Attendance:

4FG were at the top for attendance last week, with 97% Well done! Whole school attendance was 94.25 % which is an improvement on last week 😊
Come on Sutton Road, let's improve this even more next week!

Time 2 Chat:

This week as you are aware on Monday we came dressed in blue and yellow and thought about what was happening in the Ukraine. Please talk to your child about what they learnt about the Ukraine and why we are thinking about the people that live there at the moment.

Things to remind them of may be:

The flag

Where the Ukraine is

The name of the capital city

What language is spoken

Any facts they found out about the country eg landmarks, food, traditions etc

Sign of the week:

Here is this week's Sign of the Week.
