

Important messages for this week:

Severn Trent Water (STWA) came in to see the year 2 children on Friday (01/04/22) to talk about plastic pollution and hydration. We were shown about the importance of making sure that the children drink five glasses of water a day and how that impacts positively on our bodies. We also discussed with STWA the impact of plastic pollution. Some of the year 2 children showed off their recycled artwork based upon the Nottinghamshire artist Sarah Turner and told of some of the work we had done on the impact on ocean creatures of plastic pollution.

Mentions:

Foundation 2: F2KS Christopher and Blake
Year 1: 1AS Emine and Oliver
Year 2: 2MB Brody-Lee and Rachel
Year 3: 3MS Stanimir and Aidan
Year 4: 4HB Jakub and Oliwia
Year 5: 5LB Jack and Albin
Year 6: 6EB Bethany and Esme

2CA Ella and Hemmi
1LS Amelia and Alexis
2NG Taylor and Joey
3EB Saniya and Aaron
4AO Kaitlyn and Olivia
5JS Emilia and Megan
6HM Salma and Jakub

F2SB Clara and Logan
1KE Areeb and Cole
2JW Harriet and Tilly
3CM Zach and Connor
4FG Mason and Rebeca
5LN Szymon and Chris

EYFS

A big welcome to our new starters in Nursery for the Summer Term – the children are all settling in really nicely. We have been so excited in F1 this week. Our new vehicle topic is all about 'Growing', in school we have real eggs (which have started hatching this morning), Giant African Land snails and caterpillars. The children have been so enthusiastic and have been busy thinking of names for our new visitors.
F1 Team

KS1 (Years 1 and 2)

Year 1's new vehicle is Glorious Gardens.

Mrs Severn and Mrs Davies sent them a letter asking them to become garden designers and have set them a challenge.

They are very excited to improve their school grounds. They have also been busy planting some seed potatoes that Miss Stewart's dad has kindly donated and are looking forward to trying their own home grown produce.

Dear Year One,

We have been looking at our school grounds and we believe that they could be made to look much nicer. We were wondering if you could all become Garden Designers and create some new beautiful planters for everyone to enjoy.

There are a few things that we would like your planters to include.

Please can you

- Use a range of colourful plants and flowers that are in a symmetrical pattern.
- Make sure it is suitable for blind children
- Ensure it is wildlife friendly so we can attract lots of bees and other insects.

We cannot wait to see your final garden planters

Thank you

Mrs Davies and Mrs Severn

KS2 (Years 3 and 4)

Year 3 played and rated board games for their new vehicle, Hunter Gatherers. In a few weeks, we will be turning our learning around the Stone Age, Bronze Age and Iron Age into our very own board game! This has given us many ideas about what would work well and be exciting to play.

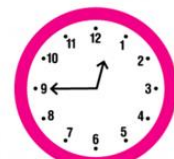

KS2 (Years 5 and 6)

In Maths, Year 5 have been learning about time. This includes converting between analogue and digital time, 12 and 24 hour clock, telling the time to the nearest minute and solving problems with time. Here are some links to support your child with telling the time at home:

<https://mathsframe.co.uk/en/resources/resource/116/telling-the-time>

<https://www.bbc.co.uk/bitesize/topics/zkfydcdm>

<https://www.topmarks.co.uk/Search.aspx?q=telling+time>

Look out for:

On Wednesday our Y3/4 dance team took part in the school games festival of dance. We were invited to take part in the festival with other primary schools across Mansfield where we demonstrated self-belief, determination and teamwork. All of the children enjoyed the festival and everyone went home with a certificate. You can watch their dance below that they have been working hard on with coach Haley 😊

Attendance:

Whole School attendance is 92.41%.
5LN were the winning class with 99% Attendance!
Well done to Mr Fletcher-Newbold's class!

Time 2 Chat:

This week your child will have a few things that it would be nice to talk to them about.

Firstly, we have introduced "Learning Logs" in which the children now record all their work.

Encourage them to tell you why we have made the move to using the books and what are the expectations that Mrs Davies shared in her video to us all.

Secondly children will have started their new "Vehicles" this week.

Encourage your child to tell you what the title of their Vehicle is.

What have they done so far?

What do they already know?

What are they hoping to find out about?

What jobs/careers might be available to them with this new knowledge?

What can you share with them about their Vehicle?"
