

It was the first game of the season for the Y3/4 team and what a corker it was, the team played excellently together you wouldn't have realised it was their first game. We started very well as a team, creating lots of chances with lots of the team coming close, but sadly we were denied brilliantly by the Church Vale goalkeeper. It took a spectacular long-range effort to break the deadlock, which could certainly be a contender for goal of the season from Henry. The team was made up from more Year 3 players than 4 but they didn't look out of place, playing as a team throughout and defending brilliantly. Roberts in goal managed to keep a clean sheet, helped by defenders Noah and Ben. The midfield made some super passes with Coral, Oliver, Kian and Ethan linking up well to crest chances and score goals. The full-time whistle came with a good result for the Sutton Road team – 0-6. Player of the match was Ben for scoring a goal and also being brilliant at the back denying Church Vale chances on goal.

## EYFS

We have had some visitors in Foundation! We had some eggs delivered and we have watched as they hatched and grew into chicks and talked about their life cycle. This week they were big enough to hold! They were quite jumpy, but we loved stroking their feathers and holding them in our hands.

## KS1 (Years 1 and 2)

Year 2 have started a 'Let's Get Growing' vehicle where we are growing various vegetables to put towards making pizzas later this term. We have planted seeds for tomatoes, cress, parley, basil, carrots and sunflowers too (not for eating but we just wanted to see how high they will grow). We are going to investigate finding out whether larger seeds grow into larger plants. Some of the seeds have already germinated and we look forward to seeing the fruits (literally) of our efforts with watering and looking after our plants.

## KS2 (Years 3 and 4)

Year 4 have started a new vehicle all about the Anglo Saxons for this half-term.

We know that the Anglo Saxons came to Britain after the Romans from Denmark, Germany and the Netherlands.

We discussed how they travelled by boat and tried to row for 2 minutes. Our arms were really aching, and we decided that the Anglo Saxons must have been really strong to row all that way.

## KS2 (Years 5 and 6)

**Viking Invasion**  
- we were invaded by our very own Viking- Bjorn. Once we became part of his clan, he taught us all about his Viking Gods and key phrases in Old Norse. Ask the children, I am sure they would love to share their counting skills. He also taught us all about the weapons used and how the Viking's defeated the Anglo Saxons, to rule Snottingham.

### Look out for:

Keep an eye out for some special events we have happening in school for the Queen's Platinum Jubilee. It's going to be fun!

### Attendance:

Whole school attendance for last week is: 96.18%- an amazing improvement, well done Sutton Road!!  
The class with the highest attendance is 4FG! Well done guys!

### Time 2 Chat:

This week to support your child's language development we would like you to play a game with your child.

#### Draw a Picture Game

Encourage everyone in your family to draw any picture they like on a piece of paper. One at a time swap the drawings with another person from your family. That person then tells a story based on the drawing they have. Support your child to extend their story thinking about their characters and what might happen to them. Swap over and see who can come up with the silliest story.

Happy story telling 😊
